

# ENGLISH TEST FOR RECRUITMENT (ETR)

RECRUIT EFFECTIVELY | IMPROVE SAFETY | INCREASE PRODUCTIVITY

The English Test for Recruitment is an effective and accessible online assessment to support the recruitment of energy industry workers.

*“The ETR evaluates the real-world English skills our workers need and helps ensure they are safe in the workplace”*

CONTACT US FOR MORE INFORMATION

Tests the English actually needed and used by workers on onshore and offshore work sites.

## WHY USE ENGLISH TEST FOR RECRUITMENT

Supports targeted recruitment for all non-native English speakers.

Allows quick and effective vetting of subcontractors on site.

Sets quality standards for English use in the workplace.

Ensures your workers can understand and communicate competently and safely in English.

Improves site safety and increases productivity
